Work Experience

Snapdeal
April 2019 - Present

Senior Product Designer

As a Product Designer at Snapdeal, I am helping the growth and Product Management to solve the problems. I am responsible for taking product features from problem identification to high fidelity specifications. I work closely with our researchers to identify user needs and validate prototypes, while also aiding our development team to implement our designs.

Scicomm.in
Sep 2017 - Sep 2018

Creative Art Director

As a Design Head at Scicomm, I did a complete revamp of their visual identity. I created their Brand Identity and defined their design styles & guides which included their Brand Logo, website design, printables etc. It helped the brand to drive new business and create a brand awareness.

Paytm
April 2015 -Sep 2017

Creative Designer

As a Creative Designer, i was leading the design team in making visual designs for special marketing campaigns through designing banners, Illustrations, web designs and social media posts. I also did their classic iconography.
